INDEPTH SITE EVALUATION REPORT FORM
For Track I General Operating and Arts Program Grants

Panelist – please print _____

Name of Organization _____

Location of Visit _____ Date of Visit _____

Type and Size of Facility _____

Meeting Attendees:

Based upon this visit, please summarize your impressions of the applicant and proposed activities on each of the following criteria:

1. Artistic merit: (The artistic quality of activities produced and/or presented by an organization.)

2. Organizational effectiveness: (The ability of an organization to develop and organize the operational means necessary to support current and planned activities, as measured by the organization's prior record and the soundness of plans of action.)

3. Service to the community: (The degree to which an organization's operations and activities display an understanding of and responsiveness to the community, as the organization defines that community.)

During your meeting, please ask for an update on the organization's activities as reported in the application. Note this information on the reverse side of this form.
