

FY 2012 Grants for Organizations Program
INDEPTH SITE EVALUATION REPORT FORM
For Track II Grants

Panelist – please print _____

Name of Organization _____

Date of Conversation _____

Based upon this conversation, please summarize your impressions of the applicant and proposed arts activities on each of the following criteria:

1. Artistic merit of the proposed arts activities: (Describe your impressions of the applicant’s artistic activities based upon your discussion and the evaluation of the materials you have reviewed.)

2. Ability of the applicant to carry out the proposed arts activities: (The ability of an organization to develop and organize the operational means necessary to support the planned activities, as measured by the organization’s prior record and the soundness of plans of action.)

3. Financial feasibility of the arts activities/programming:

4. Service to the community: (The degree to which an organization’s operations and activities display an understanding of and responsiveness to the community, as the organization defines that community.)

During your conversation, please ask for an update on the organization’s activities as reported in the application.
