Today’s Agenda

- Review of GFO Program/Guidelines
- Application Process/Timeline Overview
- Application Questions & Financials
- Q&A

Note: We will be focused on the Off-Year application only today
What is the Grants for Organizations (GFO) Program?

Purpose of program:
- Provides operating support that strengthens and sustains Maryland’s arts infrastructure
- In FY22, awarded nearly $16 million in GFO support

Application Deadline:
- (On Year: November 15, 2021 at 5pm)
- Off Year: December 15, 2021 at 5pm
  - Same dates every year!
Who can apply?

If you are in an Off Year, this means that you are a returning applicant, and you have already been accepted into the GFO program.

(If you were a new applicant, you would need to submit an Intent to Apply application (due September 15th of each year) and be accepted into the program.)
On Year vs. Off Year

GFO has a 3-year cycle by artistic discipline. During your “On Year,” your organization completes the full application process, including review by a panel, which determines your Panel Score, used to determine your funding.

During your “Off Years,” your organization completes a shorter application that is an “update” to your On Year application.

**FY23:** Music C, Dance, Multi-Discipline A

**FY24:** Theatre, Service, Folk/Traditional, Multi-Discipline B

**FY25:** Music, Literary, Visual/Media Arts

**FY26:** Music C, Dance, Multi-Discipline A
GFO Funding Formula (FY23)

Funding amount is determined by a formula:

\[
\text{\$ Total Allowable Income} \times \text{Panel Score \% (determined through the On Year application review process)} \times \\
\text{Cap Allocation \% (same amount for all orgs, \% of the total MSAC GFO budget)} = \text{FY23 Grant Amount}
\]

Example:

\[
\text{\$500,000} \times 90\% \times 7\% = \$31,500
\]

The recently announced changes to the funding formula will not be implemented until the FY24 GFO process.

*Info Session was held on October 14; More info on msac.org*
Off Year - Formula Components

The Off Year does not include a full Panel Review. Extension Assignments (Artistic Activity Visit, In-Depth Conversation) do not occur during the Off Year.

The application is reviewed (and not scored) by MSAC staff (your Program Director) and not by a Panel.

The Panel Score carries forward from your last completed On Year review.

Narrative
(Same as Section A of the On Year application)

2. How have the vision, mission, goals, and/or values of the organization evolved over the last two years?
3. a. What is the Geographic Area of Service for your organization (specific community(ies), county(ies), city(ies), statewide)? (Your response to this question will be used to guide understanding throughout the application.)
   
   b. Within your Geographic Area of Service, identify % of programming serving the community (other than tuition-paying constituents). (Tuition-paying includes programming with a fee for service model, such as classes, camps, workshops, etc.)
## Narrative Section A - Chart

**Address why the work of your organization is important**

The following chart explains how your statements in A.1, A. 2, and A. 3 are demonstrated in your day-to-day activities. The purpose of the chart is to show alignment between the organization’s intentions, processes, and programming. The List of Events/Arts Activities may be categorized by program type (i.e. Mainstage Season) and number of corresponding occurrences, if multiple rows contain the same response.

<th>How does each activity connect to the vision, mission, goals, and values of the organization?</th>

<th>How is each arts activity designed to reach yet to be known constituents in the Geographic Area of Service?</th>

Financials

In response to the ongoing impact of the previous state of emergency, each returning organization has the option to use financials from the most recently completed year (FY21 or CY20) OR use financial information again that was included in your FY22 application.

With either selection, you will complete the Financial Table with your FY21/CY20 financials

- If you have selected to re-use financials from the FY22 application, the financial table will only be used for economic impact data collection and will not impact your final grant amount.
- If you have selected to update financials, the financial table will be used for your grant determination
Financial Statement

If you select to use FY21/CY20 financials, you must attach a Financial Statement with the corresponding information. (If you are reusing financials from the FY22 application, you do not need to submit a financial statement again.)

If Total Allowable Income is Under $600K:
A submission of the organization’s most recently completed fiscal or calendar year Financial Statement (such as a P&L statement), signed by a professional accountant or the organization’s fiscal officer. The signed Financial Statement must be submitted by the application deadline.

If Total Allowable Income Is Over $600K:
A submission of the organization’s most recently completed fiscal or calendar year Independent External Audit, prepared by a CPA firm. The completed audit must be submitted by the application deadline.
