Maryland State Arts Council

Overview
The Maryland State Arts Council (MSAC) advances the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

The Council comprises an appointed body of 17 citizens from across the state, 13 of whom are named by the Governor to three-year terms that may be renewed once. Two private citizens and two legislators are appointed by the President of the Senate and by the Speaker of the House. All councilors serve without salary.

To carry out its mission, MSAC awards grants to not-for-profit, tax-exempt organizations for ongoing arts programming and projects. MSAC also awards grants to individual artists and provides technical and advisory assistance to individuals and groups. MSAC reserves the right to prioritize grant awards.

MSAC receives its funds from an annual appropriation from the State of Maryland, grants from the National Endowment for the Arts, a federal agency, and, on occasion, contributions from private, non-governmental sources.

Authority
MSAC is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Larry Hogan, Governor
Boyd K. Rutherford, Lieutenant Governor
R. Michael Gill, Secretary
Signe Pringle, Deputy Secretary
Thomas B. Riford, Assistant Secretary

Mission and Goals
MSAC’s mission is to advance the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

MSAC’s most recent strategic plan outlines five goals:
1. Increase Participation: Broaden MSAC’s constituency, providing avenues designed to increase pathways to engagement.
2. Provide Intentional Support: Embrace thoughtful and targeted approaches to serving known and yet to be known MSAC constituents.
3. Build Capacity: Work strategically to further build organizational and governance capacity to ensure that MSAC is capable of vigorously delivering on its mission.
4. Leverage Connections: Further enhance current relationships and involve additional collaborators, and constituents who will benefit from and advance the work of MSAC.
5. Bolster Maryland Arts: Showcase the high caliber, diverse and relevant work of Maryland’s artists and arts organizations; their contributions to community vitality and MSAC’s role as a catalyst.

Visit the About Us page at msac.org to read the full strategic plan and learn more about implementation actions.
Equity and Justice Statement

The arts celebrate our state's diversity, connect our shared humanity, and transform individuals and communities. The Maryland State Arts Council (MSAC) and its supporting collaborators are committed to advancing and modeling equity, diversity, accessibility, and inclusion in all aspects of our organizations and across communities of our state.

MSAC and its grantees are committed to embracing equity and non-discrimination regardless of race, religious creed, color, age, gender expression, sexual orientation, class, language, and/or ability.

The driving goals of MSAC’s granting processes are:

- To yield a greater variety of funded projects
- To eliminate biases that may be found in any part of the granting process (e.g., applications, panelist procedures, adjudication systems)
- To acknowledge positions of privilege while questioning practices, shifting paradigms of status quo arts activities, and taking more risks
- To expand deliberations to include criteria beyond current conventions or Western traditions

Accessibility Policy

The Maryland State Arts Council (MSAC) is committed to making sure all Marylanders can access our programs and services. Everyone is welcome, and all events and activities sponsored by or operated within MSAC must be fully accessible both physically and programmatically. MSAC complies with all applicable disability-related statutes and regulations and seeks to ensure meaningful participation by all Marylanders regardless of need or ability.

Professional Grants Review Panels

To assist the Council in its decision-making, professionals in the arts are appointed to a variety of grants review panels. The function of panels is to evaluate applications from organizations and individuals and to offer policy recommendations to the Council. Each year, MSAC publishes an open call, and more than 100 individuals serve as grants review panelists for the Council's programs, including Grants for Organizations, Arts in Education, Independent Artist Awards, Public Art Across Maryland, Creativity Grants, Maryland Touring Grants, Maryland Touring Artist Roster, Maryland Traditions grants, and County Arts Development. Anyone wishing to serve should visit msac.org for detailed information and application forms for any open calls.

Staff

MSAC maintains a professional staff to administer its grants programs and Council-initiated programs. Staff members are available to provide technical assistance to the arts community.

Meetings

All Council and Grants Review Panel meetings are open to the public in accordance with the Open Meetings Act set forth in Title 3 of the General Provisions Article of the Annotated Code of Maryland. The dates, times, and locations of Council and Grants Review Panel meetings may be obtained from the MSAC website at www.msac.org or by contacting MSAC offices at (410) 767-6555.

Requirements For Grant Recipients

- Must comply with Title VI, Section 601, of the Civil Rights Act of 1964, which states that no persons, on the grounds of race, color, or national origin, shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination related to, the arts.
- Must comply with Title IV, Section 1681, of the Education Amendments of 1972, and the Age Discrimination Act of 1975, Section 6101, which prohibit discrimination on the basis of sex or age.
- Must maintain complete and accurate records of all activities connected with the grant.
- Must have filed a satisfactory reporting with MSAC for the most recently completed fiscal year.
- Must file a final report in alignment with the program requirements. Necessary reporting methods will be provided by MSAC in ample time to meet the deadline. Failure to report may jeopardize any future

- Must notify the appropriate MSAC staff person in writing if a significant change is made in any MSAC-funded program or project.

Accessibility Requirements for Grant Recipients

2. Prohibit discrimination on the basis of: (a) political or religious opinion or affiliation, material status, race, color, creed, sexual orientation, or national origin; of (b) gender expression, sex, or age, except when age or sex constitute a bona fide occupational qualification; or (c) the physical or mental disability of a qualified individual with a disability.
3. Designate an Accessibility Point of Contact to ensure compliance, receive accommodation requests, and document grievances, and publish direct contact information for the Point of Contact to the public.
4. Create and publicly share a grievance procedure to allow stakeholders to address any events or programs that are inaccessible.
5. Upon request, submit documentation of operations and compliance with the above.

Notice: Certain personal information requested by the Department of Commerce is necessary in determining eligibility for grants. Failure to disclose this information may result in the denial of one or all of these benefits or services. Availability of this information for public inspection is governed by the provisions of the Maryland Public Information Act, Title 4 of the General Provisions Article of the Annotated Code of Maryland. This information will be disclosed to appropriate staff of the Department, or to public officials, for purposes directly connected with administration of the program for which its use is intended. Such information is routinely shared with state, federal, or local government agencies.

Appeals Process

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial of an award or with the amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:
- A decision based on review criteria other than those stated in these guidelines.
- A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:
- The applicant must discuss the problem with the program director who handled the application.
- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council's decision and stating the grounds for the request.
- The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.

Application Process, Review, and Reporting

Process

Applications for the AiE Teaching Artist Roster are accepted on a rolling basis and reviewed quarterly (September, December, April, and June). Applications submitted by the first day of those months will be reviewed by the panel within the same quarter, and applications received after the first day of these months will be reviewed by the panel in the following review cycle. After the panel review, applicants will be notified if they have moved on to Phase 2 (see processes for Phase 1 and Phase 2 below).

Phase 1: SmartSimple Application

All applications are submitted via the secure online grants management system SmartSimple. Log in or create a free account at marylandarts.smartsimple.com.

- Applicants are required to complete and submit their applications by electronic means, including the use of an electronic signature.
- Technical support for SmartSimple is available during regular office hours.
- Lost, misdirected or late applications are the sole responsibility of the applicant.
- Applicants must meet all revision deadlines after submission, as specified in writing, or the application will be withdrawn.

If an applicant has not been selected to move to Phase 2, applicants will be notified by email and may request a feedback appointment with the AiE Program Director. Applicants may apply again at any time.

Phase 2: Site Visit

Applicants that move to Phase 2 of the Teaching Artist Roster Review will be notified by email to schedule a site visit for one educational engagement type they are ready to immediately offer on the roster. The site visit will be facilitated by MSAC. Currently, all site visits are conducted remotely by either submitting a recording or inviting a MSAC Teaching Artist consultant to attend a live synchronous session.

The site visit can occur any time during the year. Applicants should keep in mind that they cannot be approved to be on the roster until after a site visit is completed and they have been approved by the Teaching Artist consultant.
Teaching Artists who need assistance identifying a site visit location should reach out to the AiE Program Director for technical support.

Upon completion of a site visit, applicants will be notified after their site visit date if they have been accepted to the roster or not.

Review Criteria
The review of Roster applications in Phase 1 is based on successful evidence of the answers to the following application questions. Find the full rubric for Phase 1 and Phase 2 on the Teaching Artist Roster webpage (under the “Resources” heading at the bottom of the page) on msac.org.
