Maryland State Arts Council

Overview

The Maryland State Arts Council (MSAC) advances the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

The Council comprises an appointed body of 17 citizens from across the state, 13 of whom are named by the Governor to three-year terms that may be renewed once. Two private citizens and two legislators are appointed by the President of the Senate and by the Speaker of the House. All councilors serve without salary.

To carry out its mission, MSAC awards grants to not-for-profit, tax-exempt organizations for ongoing arts programming and projects. MSAC also awards grants to individual artists and provides technical and advisory assistance to individuals and groups. MSAC reserves the right to prioritize grant awards.

MSAC receives its funds from an annual appropriation from the State of Maryland, grants from the National Endowment for the Arts, a federal agency. and, on occasion, contributions from private, non-governmental sources.

Authority

MSAC is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Mission and Goals

MSAC's mission is to advance the arts in our state by providing leadership that champions creative expression, diverse programming, equitable access, lifelong learning, and the arts as a celebrated contributor to the quality of life for all the people of Maryland.

MSAC's most recent strategic plan outlines five goals:

1. Increase Participation: Broaden MSAC's constituency, providing avenues designed to increase pathways to engagement.
2. Provide Intentional Support: Embrace thoughtful and targeted approaches to serving known and yet to be known MSAC constituents.
3. Build Capacity: Work strategically to further build organizational and governance capacity to ensure that MSAC is capable of vigorously delivering on its mission.
4. Leverage Connections: Further enhance current relationships and involve additional collaborators, and constituents who will benefit from and advance the work of MSAC.
5. Bolster Maryland Arts: Showcase the high caliber, diverse and relevant work of Maryland's artists and arts organizations; their contributions to community vitality and MSAC's role as a catalyst.

Visit the About Us page at msac.org to read the full strategic plan and learn more about implementation actions.

Equity and Justice Statement

The arts celebrate our state's diversity, connect our shared humanity, and transform individuals and communities. The Maryland State Arts Council (MSAC) and its supporting collaborators are committed to advancing and modeling equity, diversity, accessibility, and inclusion in all aspects of our organizations and across communities of our state.

MSAC and its grantees are committed to embracing equity and non-discrimination regardless of race, religious creed, color, age, gender expression, sexual orientation, class, language, and/or ability.

The driving goals of MSAC's granting processes are:

- To yield a greater variety of funded projects
- To eliminate biases that may be found in any part of the granting process (e.g., applications, panelist procedures, adjudication systems)
- To acknowledge positions of privilege while questioning practices, shifting paradigms of status quo arts activities, and taking more risks
- To expand deliberations to include criteria beyond current conventions or Western traditions

Accessibility Policy

The Maryland State Arts Council (MSAC) is committed to making sure all Marylanders can access our programs and services. Everyone is welcome, and all events and activities sponsored by or operated within MSAC must be fully accessible both physically and programmatically. MSAC complies with all applicable disability-related statutes and regulations and seeks to ensure meaningful participation by all Marylanders regardless of need or ability.

Professional Grants Review Panels

To assist the Council in its decision-making, professionals in the arts are appointed to a variety of grants review panels. The function of panels is to evaluate applications from organizations and individuals and to offer policy recommendations to the Council. Each year, MSAC publishes an open call, and more than 100 individuals serve as grants review panelists for the Council's programs, including Grants for Organizations, Arts in Education, Independent Artist Awards, Public Art Across Maryland, Creativity Grants, Maryland Touring Grants, Maryland Touring Artist Roster, Maryland Traditions grants, and County Arts Development. Anyone wishing to serve should visit msac.org for detailed information and application forms for any open calls.

Staff

MSAC maintains a professional staff to administer its grants programs and Council-initiated programs. Staff members are available to provide technical assistance to the arts community.

Meetings

All Council and Grants Review Panel meetings are open to the public in accordance with the Open Meetings Act set forth in Title 3 of the General Provisions Article of the Annotated Code of Maryland. The dates, times, and locations of Council and Grants Review Panel meetings may be obtained from the MSAC website at www.msac.org or by contacting MSAC offices at (410) 767-6555.

Requirements For Grant Recipients

- Must comply with Title VI, Section 601, of the Civil Rights Act of 1964, which states that no persons, on the grounds of race, color, or national origin, shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination related to, the arts.

- Must have filed a satisfactory reporting with MSAC for the most recently completed fiscal year.

- Must notify the appropriate MSAC staff person in writing if a significant change is made in any MSAC-funded program or project.

Accessibility Requirements for Grant Recipients

Grantees must ensure that any programming remains accessible to all, and if needed, conduct programs in accessible venues other than their own organization in order to meet accessibility requirements.

Grantees are required to:

1. Comply with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1991, as amended.
2. Prohibit discrimination on the basis of: (a) political or religious opinion or affiliation, material status, race, color, creed, sexual orientation, or national origin; of (b) gender expression, sex, or age, except when age or sex constitute a bona fide occupational qualification; or (c) the physical or mental disability of a qualified individual with a disability.
3. Designate an Accessibility Point of Contact to ensure compliance, receive accommodation requests, and document grievances, and publish direct contact information for the Point of Contact to the public.

Notice: Certain personal information requested by the Department of Commerce is necessary in determining eligibility for grants. Failure to disclose this information may result in the denial of one or all of these benefits or services. Availability of this information for public inspection is governed by the provisions of the Maryland Public Information Act, Title 4 of the General Provisions Article of the Annotated Code of Maryland. This information will be disclosed to appropriate staff of the Department, or to public officials, for purposes directly connected with administration of the program for which its use is intended. Such information is routinely shared with state, federal, or local government agencies.

Appeals Process

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial of an award or with the

amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

- A decision based on review criteria other than those stated in these guidelines.
- A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

- The applicant must discuss the problem with the program director who handled the application.
- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council's decision and stating the grounds for the request.
- The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.

Overview

Purpose

The purpose of the Special Request grant is to provide support for arts activities that fall outside organizations' regular budgets but align with MSAC's goals to provide support and build capacity for Maryland's arts sector. A primary aim of the program is to bolster stability, innovation, and visionary thinking among organizations supporting the arts.

Description

The Special Request program supports three types of arts activities:

- Innovative projects addressing stated constituent needs
- Pilot or one-time projects
- Capacity-building efforts

Innovative projects are locally-led, mission-specific efforts in which an organization provides arts experiences or resources that address the stated needs of a particular group. The innovative aspects of such projects should represent a departure from the applicant organization's regular activities. A framework for imagining such innovation is MSAC's Grantmaking Approach, which is available for review at <https://msac.org/about>.

Pilot or one-time projects are efforts in which an organization attempts to reach a new goal that is relevant to its mission but not yet part of its regular activities. Such projects should be accessible by the public but otherwise may be undertaken in a spirit of creativity and experimentation. Based on the outcome of such projects, applicants may choose to incorporate them into ongoing, regular activities. Applicants are eligible to apply for Special Request funds supporting as many as three consecutive years for the same pilot or one-time project, although an initial award does not guarantee funding in subsequent years.

Capacity-building efforts are organized initiatives that support an organization's long-term stability, visibility, or effectiveness. Such efforts are geared toward internal improvement and may or may not be immediately accessible by the public (e.g., consultancies, needs assessments, staff searches, etc.). The outcome of capacity-building efforts is improvement in the applicant's ability to deliver on its mission.

The eclectic nature of Special Request support is due to MSAC's practice of regularly engaging constituents to identify common needs in the arts sector. The Special Request program is an attempt to address such needs in a comprehensive, transparent way.

Grant Cycle

Funding

Grants are between \$2,000 and \$50,000, and the amount is determined based on applicant requests. Projects will be funded at the total requested amount or not at all. Partial fulfillment of applicant

requests will not be considered. Grants may fund the entirety or a portion of an applicant's proposed activity.

The budget for the Special Request program comprises unused funds from other areas of MSAC's annual budget, including grants and administration. The Special Request budget might therefore change from year to year, or even within a single year, based on the availability of other funds.

Support Period

Special Request grants fund activities taking place in the same MSAC fiscal year (FY) in which they were awarded. MSAC's fiscal year 2023 runs from July 1, 2022, to June 30, 2023.

If all grants funds are not completely expended by the close of the fiscal year in which they were awarded, the grantee must explain how the remaining funds have been obligated (i.e., budgeted) to remain in compliance.

Independent Artists

Final reports are completed in SmartSimple, the same online grants management system used for applications. Final Reports forms and instructions are available upon grant award.

Failure to submit reports may jeopardize current and/or future MSAC grants and may result in the required return of grant funds to the State of Maryland.
