Maryland State Arts Council

Overview

The Maryland State Arts Council (MSAC) encourages and invests in the advancement of the arts for all Marylanders. Its grants and programs support artists and arts organizations in their pursuit of artistic excellence, ensure the accessibility of the arts to all citizens and promote statewide awareness of arts resources and opportunities. Programs are aimed at all Maryland residents regardless of political or religious opinion or affiliation, marital status, race, color, creed, age, national origin, sex or sexual orientation, physical or mental disability, or geographic location within the State.

The Council comprises an appointed body of 17 citizens from across the state, 13 of whom are named by the Governor to three-year terms that may be renewed once. Two private citizens and two legislators are appointed by the President of the Senate and by the Speaker of the House. All councilors serve without salary.

To carry out its mission, MSAC awards grants for ongoing arts programming and projects. The MSAC also awards grants to individual artists, and provides technical and advisory assistance to individuals and groups. The Council reserves the right to prioritize grants awards.

The MSAC receives its funds in an annual appropriation from the State of Maryland and from grants from the National Endowment for the Arts, a federal agency. The Council may also receive contributions from private, non-governmental sources.

Authority

Maryland State Arts Council is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Larry Hogan, Governor | Boyd K. Rutherford, Lieutenant Governor

Mike Gill, Secretary | Ben Wu, Deputy Secretary

Liz Fitzsimmons | Managing Director, Division of Tourism, Film and the Arts

Professional Grants Review Panels

To assist the Council in its decision-making, professionals in the arts are appointed to a variety of grants review panels. The function of panels is to evaluate applications from organizations and individuals and to offer policy recommendations to the Council. Each year, more than 100 individuals serve as grants review panelists for the Council's programs, including Grants for Organizations, Arts in Education, Folk and Traditional Arts, Individual Artist Awards, and Community Arts Development. Anyone wishing to serve should visit msac.org for detailed information and forms.

Staff

MSAC maintains a professional staff to administer its grants programs and Council-initiated programs. Staff members are available to provide technical assistance to the arts community.

Meetings

All Council and Grants Review Panel meetings are open to the public in accordance with the Open Meetings Act set forth in Title 3 of the General Provisions Article of the Annotated Code of Maryland. The dates, times, and locations of Council and Grants Review Panel meetings may be obtained from the MSAC website at www.msac.org or by contacting MSAC offices at (410) 767-6555.

Please refer to the Creativity Grant Application Scoring Rubric as you respond to the application questions.

Financials

Independent Artists are not required to submit financial statements with the application.

Small Organizations must submit a financial statement from the last completed fiscal year demonstrating an allowable income figure of less than \$50,000.

Allowable Income Figures include ticket sales, tuition, donations, foundation support, corporate support, public support, gift shop sales, fundraisers, etc.

Non-allowable Income Figures are loans, carryover, debt forgiveness, transfer of funds earned in prior years, revenue raised for capital or endowment funds or funds intended for the purpose of re-granting, and unrealized gains/losses. These items may be included in your financial statement or budgets but will not be used to determine your grant amount.

MSAC utilizes the cloud-based grant system SmartSimple to accept grant applications. Only successfully submitted online applications will be accepted. Hard copy applications will NOT be accepted.

- Applicants are required to complete and submit their applications by electronic means, including the use of an electronic signature, a minimum of 90-days prior to the start of the proposed arts activities. (Example: If the proposed start date of an activity is December 1, the Creativity Grant application must be received by MSAC no later than September 1.)

- Lost, misdirected or late applications are the sole responsibility of the applicant.
- **Applicants must meet all revision deadlines after submission, as specified in writing, or the application will be withdrawn.**

Grant Review and Evaluation Process

MSAC utilizes a multi-disciplinary, statewide grant panel to electronically review (approve or deny) applications on a monthly basis for grant requests over \$2,000. Applications for grant requests of \$2,000 or less are reviewed by MSAC program staff only.

Notification

Creativity Grant applications submitted by the fifth day of the month will be reviewed by the panel within the same month. Applications received after the fifth day of the month will be reviewed by the panel in the following month. After the monthly panel review, applicants will be notified of the grant status as soon as possible, and, if approved, receive a formal grant agreement form to process the grant payment (100% of award amount).

Reporting Requirements

If awarded a Creativity Grant, the recipient must file a final report online no more than two weeks after the end of the Fiscal Year in which the funded activity occurred (July 15). The report contains a brief summary request as well as some demographic requirements of the NEA (National Endowment for the Arts). Failure to submit reports may jeopardize current and/or future MSAC grants and may result in repayment of grant funds back to the State of Maryland. Before any funds

are distributed, Creativity grantees are also required to submit any outstanding reports/requirements for any other MSAC grants they have received.
