Overview
The Maryland State Arts Council (MSAC) encourages and invests in the advancement of the arts for all Marylanders. Its grants and programs support artists and arts organizations in their pursuit of artistic excellence, ensure the accessibility of the arts to all citizens, and promote statewide awareness of arts resources and opportunities. Programs are aimed at all Maryland residents regardless of political or religious opinion or affiliation, marital status, race, color, creed, age, national origin, sex or sexual orientation, physical or mental disability, or geographic location within the State.

The Council comprises an appointed body of 17 citizens from across the state, 13 of whom are named by the Governor to three-year terms that may be renewed once. Two private citizens and two legislators are appointed by the President of the Senate and by the Speaker of the House. All councilors serve without salary.

To carry out its mission, MSAC awards grants to not-for-profit, tax-exempt organizations for ongoing arts programming and projects. The MSAC also awards grants to individual artists, and provides technical and advisory assistance to individuals and groups. The Council reserves the right to prioritize grants awards.

MSAC receives its funds in an annual appropriation from the State of Maryland and from grants from the National Endowment for the Arts, a federal agency. The Council may also receive contributions from private, non-governmental sources.

Authority
MSAC is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Larry Hogan, Governor | Boyd K. Rutherford, Lieutenant Governor
Kelly M. Schulz, Secretary
Thomas B. Riford | Assistant Secretary, Division of Tourism, Film and the Arts

Mission Statement and Goals
The mission of MSAC is to encourage and invest in the advancement of the arts for the people of our state. The goals of the Council are to support artists and arts organizations in their pursuit of artistic excellence, to ensure the accessibility of the arts to all citizens and to promote statewide awareness of arts resources and opportunities.

The MSAC's programs are aimed at benefiting all Maryland residents regardless of political or religious opinion or affiliation, marital status, race, color, creed, age, national origin, sex or sexual orientation, physical or mental disability, or geographic location within the State.

Professional Grants Review Panels
To assist the Council in its decision-making, professionals in the arts are appointed to a variety of grants review panels. The function of panels is to evaluate applications from organizations and individuals and to offer policy recommendations to the Council. Each year, MSAC publishes an open call, and more than 100 individuals serve as grants review panelists for the Council's programs, including Grants for Organizations, Arts in Education, Folk and Traditional Arts, Independent Artist Awards, and Community Arts Development. Anyone wishing to serve should visit msac.org for detailed information and nomination forms.
Staff
MSAC maintains a professional staff to administer its grants programs and Council-initiated programs. Staff members are available to provide technical assistance to the arts community.

Meetings
All Council and Grants Review Panel meetings are open to the public in accordance with the Open Meetings Act set forth in Title 3 of the General Provisions Article of the Annotated Code of Maryland. The dates, times, and locations of Council and Grants Review Panel meetings may be obtained from the MSAC website at www.msac.org or by contacting MSAC offices at (410) 767-6555.

Notice: Certain personal information requested by the Department of Commerce is necessary in determining eligibility for grants. Failure to disclose this information may result in the denial of one or all of these benefits or services. Availability of this information for public inspection is governed by the provisions of the Maryland Public Information Act, Title 4 of the General Provisions Article of the Annotated Code of Maryland. This information will be disclosed to appropriate staff of the Department, or to public officials, for purposes directly connected with administration of the program for which its use is intended. Such information is routinely shared with state, federal, or local government agencies.
Appeals Process

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial of an award or with the amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:
- A decision based on review criteria other than those stated in these guidelines.
- A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:
- The applicant must discuss the problem with the program director who handled the application.
- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council’s decision and stating the grounds for the request.
- The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.

Nomination and Evaluation
SmartSimple
All nominations are submitted via the online grants management system SmartSimple. Log in or create a free account at marylandarts.smartsimple.com. Nominators using SmartSimple for the first time will be asked to create a profile labeled with one of several categories (e.g., Independent Artist, County Arts Council, etc.). Nominators should select the profile category that best describes them. If no profile category is an exact match, nominators should select “Independent Artist”.

Nominator expectation
Heritage Award nominators are those making nominations on behalf of nominees. Nominators may reside anywhere and must provide contact information during the nomination process. Nominators serve as the primary point of contact for a nomination until winners are selected.

Nomination components
A completed nomination consists of the following components:
- Answers to prompts soliciting a description of the nominee’s long-term achievement in folklife
- Optional supplemental materials
  - Supplemental materials include but are not limited to letters of recommendation, media coverage, or audiovisual examples of past work not exceeding 10 pages and 5 minutes of combined audiovisual review time
  - Supplemental materials may reflect any point in the nominee’s career or existence

Panelist review
MSAC convenes a group of panelists to evaluate nominations. Each nomination is evaluated using a three-part rubric. Panelists assign as many as 20 points and supply qualitative comments for each of the three parts:
- Nomination’s identification of a form folklife
- Nominee’s connection to the folklife of a particular community
- Nominee’s sustained engagement with folklife as a person or people, place, or tradition

Panelists review Heritage Award nominations twice:
- Once remotely and independently, at which time an initial score is made
● Once after conversation with other panelists at a meeting facilitated by MSAC staff, including the state folklorist, at which time all panelists will discuss nominations and have the opportunity to amend their score based on discussion

In the event multiple nominations with the same score are being considered, the state folklorist will facilitate further panel discussion in accordance with scoring rubric guidelines until a final selection is made.

See Appendix B for the scoring rubric panelists use to evaluate nominations.

Panelist selection
Panelists are Maryland residents selected via public application process. Applicants who are folklife artists, folklife specialists, arts administrators, and other cultural workers possess the necessary expertise to evaluate applications, though all potential panelists are given consideration.

Re-submission
Nominations that are initially unsuccessful may be revised and re-submitted but are not automatically carried over from year to year.

Final report
A final report describes how grant funds were spent and collects information about the grant’s impact on the grantee's folklife activities. The Final report also collects narrative, fiscal, and demographic information in keeping with MSAC and National Endowment for the Arts (NEA) requirements. Successful completion of a final report is a required condition of the Heritage Award. Final reports are completed in SmartSimple, the same online grants management system used for nominations. Final Reports are available at the end of each granting period. MSAC notifies grantees in writing when Final Reports are available.
Appendix A: Purpose of Heritage Awards

The purpose of the Heritage Awards is to heighten the profile of Maryland folklife by annually providing funding and public recognition to three examples of long-term achievement in living cultural traditions. Maryland folklife is defined as the body of living cultural traditions located in Maryland. Traditions that have been features of Maryland culture for many generations are eligible for Heritage Awards, as are traditions that have come to Maryland more recently through patterns of migration, immigration, or the movement of refugees.

Heritage Awards have no requirement in terms of the length of time a winner has resided in Maryland, but all winners are selected based on folklife activities occurring in Maryland. All Heritage Award funds must be disbursed to Maryland-based individuals, nonprofits, colleges and universities, or units of government. MSAC staff work with winners to determine the preferred recipient of funds.

Heritage Award winners are documented with a professional photo shoot and interview session. Pending winners’ permission, MSAC uses photos and recordings to publicize winners’ work. An MSAC-led production team works with each winner to arrange documentation activities, which typically occur at a location relevant to the winner’s folklife activities. Pending winners’ permission, all documentation is deposited in the Maryland Folklife Archives, a public archive of living cultural traditions housed at the University of Maryland, Baltimore County, with MSAC oversight.

Heritage Award winners are honored at a public ceremony. An MSAC-led production team produces the ceremony and works with winners to facilitate their participation in it. The ceremony typically features performances and demonstrations relevant to the winners’ folklife activities. The ceremony is always hosted in Maryland.

Anyone interested in making a nomination is strongly encouraged to review the list of past winners at msac.org as a first step. For detailed questions, the primary point of contact is the Maryland State Folklorist, which has been a permanent, full-time position at MSAC since 1974.
