

Applying for a **PROJECT GRANT**

To be eligible for MSAC funding during the current Governor-declared State of Emergency, a project must be allowable in accordance with established safety standards at the time of application submission. This applies to any project-based application within the following programs: Creativity, Arts in Education, Public Art Across Maryland, Professional Development Opportunity, and Presenting & Touring.

Use the flowchart below to confirm your eligibility to submit a project-based application.

My project can occur in alignment with the current phase of the [Maryland Strong: Roadmap to Recovery](#) and any relevant [state guidelines](#).

My project can occur in alignment with my [county](#) and any other relevant [local safety standards](#).

My project is ineligible for funding at this time. I can get creative to present the project in a new way, or I can wait until the project is eligible.

My project may be eligible for funding at this time. I can begin a project application.

For specific program requirements (not related to safety) as well as a link to begin the application process, please visit our website [here](#) and choose your program of interest.
