Maryland State Arts Council

Overview

The Maryland State Arts Council (MSAC) encourages and invests in the advancement of the arts for all Marylanders. Its grants and programs support artists and arts organizations in their pursuit of artistic excellence, ensure the accessibility of the arts to all citizens, and promote statewide awareness of arts resources and opportunities. Programs are aimed at all Maryland residents regardless of political or religious opinion or affiliation, marital status, race, color, creed, age, national origin, sex or sexual orientation, physical or mental disability, or geographic location within the State.

The Council comprises an appointed body of 17 citizens from across the state, 13 of whom are named by the Governor to three-year terms that may be renewed once. Two private citizens and two legislators are appointed by the President of the Senate and by the Speaker of the House. All councilors serve without salary.

To carry out its mission, MSAC awards grants to not-for-profit, tax-exempt organizations for ongoing arts programming and projects. The MSAC also awards grants to individual artists, and provides technical and advisory assistance to individuals and groups. The Council reserves the right to prioritize grants awards.

MSAC receives its funds in an annual appropriation from the State of Maryland and from grants from the National Endowment for the Arts, a federal agency. The Council may also receive contributions from private, non-governmental sources.

Authority

MSAC is an agency of the State of Maryland under the authority of the Department of Commerce, Division of Tourism, Film and the Arts.

Mission Statement and Goals

The mission of MSAC is to encourage and invest in the advancement of the arts for the people of our state. The goals of the Council are to support artists and arts organizations in their pursuit of artistic excellence, to ensure the accessibility of the arts to all citizens and to promote statewide awareness of arts resources and opportunities.

The MSAC's programs are aimed at benefiting all Maryland residents regardless of political or religious opinion or affiliation, marital status, race, color, creed, age, national origin, sex or sexual orientation, physical or mental disability, or geographic location within the State.

Professional Grants Review Panels

To assist the Council in its decision-making, professionals in the arts are appointed to a variety of grants review panels. The function of panels is to evaluate applications from organizations and individuals and to offer policy recommendations to the Council. Each year, MSAC publishes an open call, and more than 100 individuals serve as grants review panelists for the Council's programs, including Grants for Organizations, Arts in Education, Folk and Traditional Arts, Independent Artist Awards, and Community

Arts Development. Anyone wishing to serve should visit msac.org for detailed information and nomination forms.

Staff

MSAC maintains a professional staff to administer its grants programs and Council-initiated programs. Staff members are available to provide technical assistance to the arts community.

Meetings

All Council and Grants Review Panel meetings are open to the public in accordance with the Open Meetings Act set forth in Title 3 of the General Provisions Article of the Annotated Code of Maryland. The dates, times, and locations of Council and Grants Review Panel meetings may be obtained from the MSAC website at www.msac.org or by contacting MSAC offices at (410) 767-6555.

Notice: Certain personal information requested by the Department of Commerce is necessary in determining eligibility for grants. Failure to disclose this information may result in the denial of one or all of these benefits or services. Availability of this information for public inspection is governed by the provisions of the Maryland Public Information Act, Title 4 of the General Provisions Article of the Annotated Code of Maryland. Such information is routinely shared with state, federal, or local government agencies.

Appeals Process

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, dissatisfaction with the denial of an award or with the amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

- A decision based on review criteria other than those stated in these guidelines.
- A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

- The applicant must discuss the problem with the program director who handled the application.
- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council's decision and stating the grounds for the request.
- The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.
