MARYLAND STATE ARTS COUNCIL OVERVIEW

The Maryland State Arts Council (MSAC) is an agency of the State of Maryland, under the authority of the Department of Commerce. Since it was established in 1967, the purpose of the Council has been “to create a nurturing climate for the arts in the State” as stated in its founding legislation.

The Council is an appointed body of 17 citizens. Thirteen are named by the Governor to three-year terms, which are renewable once. Two legislators and two private citizens are appointed by the President of the Senate and the Speaker of the House. Councilors serve without salary.

To carry out its mission, MSAC awards grants to not-for-profit, tax-exempt organizations for ongoing arts programming and arts projects. MSAC awards grants to individual artists, and provides technical and advisory assistance to individuals and groups. The Council also carries out programs of its own to enhance the cultural life of the residents of Maryland. MSAC receives its funds in an annual appropriation from the State of Maryland and from grants from the National Endowment for the Arts, a federal agency. The Council may also receive contributions from private, non-governmental sources.

Mission Statement and Goals
The mission of MSAC is to encourage and invest in the advancement of the arts for the people of our State. The goals of the Council are to support artists and arts organizations in their pursuit of artistic excellence, to ensure the accessibility of the arts to all citizens, and to promote statewide awareness of arts resources and opportunities. MSAC’s programs are aimed at benefiting all Maryland residents regardless of political or religious opinion or affiliation, marital status, race, color, creed, age, national origin, sex or sexual orientation, physical or mental disability, or geographic location within the State.

Professional Grants Review Panels
To assist the Council in its decision-making, professionals in the arts are appointed to a variety of grants review panels. The function of panels is to evaluate applications from organizations and individuals and to offer policy recommendations to the Council. Each year, more than 100 individuals serve as grants review panelists for the Council’s programs, including Grants for Organizations, Arts in Education, Folk and Traditional Arts, Individual Artist Awards, and Community Arts Development. Anyone wishing to serve or to nominate someone to serve should contact the MSAC office for detailed information and nomination forms.

Staff
MSAC maintains a professional staff to administer its grants programs and Council-initiated programs. Staff members are available to provide technical assistance to the arts community.

Meetings
All Council and Grants Review Panel meetings are open to the public in accordance with the Open Meetings Law set forth in Sections 10-501 through 10-512 of the State Government Article of the Annotated Code of Maryland. The dates, times, and locations of Council and Grants Review Panel meetings may be obtained by contacting the Council office.
REQUIREMENTS FOR ORGANIZATIONS RECEIVING MARYLAND TRADITIONS PROJECT GRANTS FROM THE MARYLAND STATE ARTS COUNCIL

- Must have been both incorporated in Maryland as not-for-profit and have received tax exempt status from the U. S. Internal Revenue Service. Units of government, colleges, and universities are also eligible to apply.

- Must comply with Title VI, Section 601, of the Civil Rights Act of 1964, which states that no persons, on the grounds of race, color, or national origin, shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination related to, the arts.

- Must comply with Title IV, Section 1681, of the Education Amendments of 1972, and the Age Discrimination Act of 1975, Section 6101, which prohibit discrimination on the basis of sex or age.

- Must comply with Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990,* which states that no otherwise qualified person shall, solely by reason of his or her handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination related to, the arts.

- Must maintain complete and accurate records of all activities connected with the grant.

- Must file a final report, both narrative and financial, by the specified deadlines. Necessary reporting methods will be provided by MSAC in ample time to meet deadlines. Grantees are required to provide documentation of the project through the Maryland Traditions online database, including text and photography. Grantees are expected to participate in evaluative forums. Failure to report may jeopardize any future grant being received by the organization and may result in the organization being required to repay grant funds.

- Must give credit to Maryland Traditions and MSAC whenever and wherever credit is being given. Written credit should read:

  “The [Name of Organization’s Project] is supported by Maryland Traditions through a grant from the Maryland State Arts Council, an agency dedicated to cultivating a vibrant cultural community where the arts thrive, and by the National Endowment for the Arts, a federal agency which believes that a great nation deserves great art.”

  MSAC requires logo recognition in some cases. Please refer to the Grant Recognition Guidelines for MSAC Support on the MSAC website for specifics. Go to www.msac.org, click on About us, in the dropdown menu click on Recognizing Our Grants.

- Must notify the appropriate program officer in writing if a significant change is made in any MSAC-funded program or project.
**Notice:** In accordance with Executive Order 01.01.1983.18, the Department of Commerce advises as follows regarding the collection of personal information:

Certain personal information requested by the Department of Commerce is necessary in determining eligibility for grants. Failure to disclose this information may result in the denial of one or all of these benefits or services. Availability of this information for public inspection is governed by the provisions of the Maryland Public Information Act, State Government Article, Sections 10-611 et seq of the Annotated Code of Maryland. This information will be disclosed to appropriate staff of the Department, or to public officials, for purposes directly connected with administration of the program for which its use is intended. Such information is routinely shared with state, federal, or local government agencies. Applicants have the right to inspect, amend, or correct personal records in accordance with the Maryland Public Information Act.

REVIEW PROCESS

- **Staff Review:** After the application is received, it is reviewed by staff for completeness and adherence to Council guidelines. Applicants will be notified whether their application is complete or if additional information or corrections are necessary. The organization must meet all subsequent deadlines as specified in writing or the application will be considered withdrawn.

- **Grants Review Panel:** Completed applications are forwarded to the Maryland Traditions Project Grants Review Panel for evaluation. The Grants Review Panel meets formally to evaluate each application. Criteria ratings and recommendations made by the Grants Review Panel serve as the basis for funding recommendations.

- **Council Decision:** The full Council meets in early June to review the funding recommendations.

- **Notification:** All applicants are notified in writing of the Council’s decision when final approval is obtained. Normally approval is obtained after July 1.

- **Payment:** Grant agreement forms are prepared and mailed in early July. The forms must be executed and the organization must meet all reporting requirements before grant funds are disbursed.
APPEALS PROCESS

MSAC takes great care during the grant review process to ensure fair and equitable distribution of grant monies based on stated criteria. Therefore, simple dissatisfaction with the denial of an award or with the amount of an award is not sufficient reason for an appeal. However, a grant request may be reconsidered if a procedural impropriety or error has affected its review.

Grounds for such reconsideration are:

- A decision based on review criteria other than those stated in these guidelines.

- A decision based on material provided to panelists and/or Councilors that was substantially incorrect, inaccurate, or incomplete despite the applicant having provided the staff with correct, accurate, and complete application information.

Based on the above, if an applicant believes there is legitimate reason for an appeal, the following steps must be taken:

- The applicant must discuss the problem with the program director who handled the application.

- To pursue an appeal, the applicant must write a letter to the MSAC Executive Director within 60 days following receipt of the grant award or denial letter requesting a reconsideration of the Council’s decision and stating the grounds for the request.

- The applicant will receive written notification on the determination of the appeal within 90 days of the receipt of the written request for reconsideration.
MARYLAND TRADITIONS PROJECT GRANT GUIDELINES

Program Purposes: Maryland Traditions Project Grants support research and programming that adds significance to Maryland communities by encouraging and funding professionals as well as community scholars, organizations, and artists to document, preserve, sustain, and present Maryland’s traditional arts and culture. Program staff and partners will work with Maryland Traditions Project Grant recipients to provide technical assistance and identify networks to connect the project to other activities and resources. Past project grants have included the production of a public old-time fiddle competition, a rowhouse arts festival hosted by a major museum, an oral history of oyster workers, a documentary film of traditional river baptisms on the Eastern Shore, an Arabber wagon restoration project, and a CD of a master traditional Irish button accordion player from Baltimore.

About Maryland Traditions: Maryland Traditions was established in 2001 as the statewide folklife infrastructure program of the Maryland State Arts Council (MSAC) with support from the National Endowment for the Arts (NEA) Folk Arts Infrastructure Initiative. Maryland Traditions’ mission is to support communities and individuals to discover, share, preserve and sustain traditional arts and culture. Maryland Traditions Project Grants are administered by the MSAC.

Maryland Traditions:
- works directly with individuals and cultural institutions to promote the vitality of living traditions and folk arts
- shares information through research and discovery leading to outreach, interpretation, presentation and publication
- encourages efforts that connect people to one another and to a place

Maryland Traditions programs include:
- Regional Partnerships
- Apprenticeship Awards
- Project Grants
- Technical Assistance

Organization Eligibility: Eligible applicants for Maryland Traditions Project Grants are not-for-profit arts and non-arts organizations, as well as colleges, universities and units of government. Organizations must have been both incorporated in Maryland as not-for-profit and received tax exempt status from the U.S. Internal Revenue Service by March 31, 2013 (colleges, universities and units of government excepted). All organizations must have operated for one full fiscal year at the date of application. Registration or license to do business in Maryland is not a substitute for Maryland incorporation. An organization may receive or partner in only one Maryland Traditions Project Grant per deadline. Existing recipients of grants through MSAC’s Grants for Organization Program may apply for Maryland Traditions Project Grants, but the project must be a new initiative distinguished from the organization’s ongoing arts activities. Individual artists and for-profit businesses or organizations are not eligible to apply directly for a Maryland Traditions Project grant, but are encouraged to collaborate with eligible organizations.
**Collaborative Partnerships:** Collaborative partnerships between two or more organizations are eligible. A single, non-profit organization must complete and submit the Maryland Traditions Project Grant application on behalf of the partnership. All collaborative partners must be listed in the application narrative, and letters of support from the collaborative partners (detailing roles and responsibilities for the proposed project) must accompany the application.

**Support Period:** July 1, 2017 through June 30, 2018

**Review Criteria:**

- Value of the project in sustaining traditions
- Artistic and cultural significance
- Project design
- Ability of the applicant to carry out and evaluate the project
- Financial feasibility of the project
- Project impact for the identified community

**Funding Amounts:** Maryland Traditions Project grant requests may range from $1,000 to $5,000.

**Matching Requirements:** The policy of MSAC is to provide up to 50 percent of an organization’s Maryland Traditions Project budget, based upon anticipated expenses for the project. Donated space, supplies, and/or volunteer services can be used as part of the grant match, up to 25 percent of the total budget of the project.

**Grant Funds May Not Be Used For:** Capital improvements or purchases of permanent equipment; depreciation; acquisition of capital assets; activities for the exclusive benefit of an organization’s members or students; travel outside Maryland; deficits; loan principal payments; contributions to endowments; academic conferences; or scholarships.

**Application Submission and Required Materials:**

Applicants **must** submit all Required Documents, Project Support Materials, and Artistic Work Samples as described below.

1. **Required Documents:**
   - One original, signed, completed application
   - A financial summary statement for your organization’s most recently completed fiscal year signed by a professional accountant or your organization’s fiscal officer.

   - Letters of support from collaborative partner organizations detailing their roles and responsibilities (if applicable).
   - Letter of Determination from the IRS indicating that your organization is incorporated in Maryland as not-for-profit and is in good standing (certificate available from SDAT-State Department of Assessments and Taxation) or enabling legislation establishing the organization or agency as a college, university or unit of government.

2. **Project Support Materials:** Support materials are important to a successful application and should speak directly to the review criteria of the application. Support materials may include additional
relevant letters of support, excerpts from publications or websites, supplemental budget information, maps, statistics, calendars, articles, reviews, etc. These materials MUST be presented on photocopy ready 8 ½” x 11” paper. No staples. A maximum of ten pages of organizational support materials is allowed. These materials will be made available to the Grant Review Panel that evaluates these proposals.

3. Artistic Work Samples: Work samples that illustrate the organization’s recent activities (January 2010 to present) and its capacity to successfully execute the proposed Maryland Traditions Project are a critical part of the application. These materials will be made available to the Grant Review Panel that evaluates these proposals. Organizations may submit no more than two samples from the following categories:
- one copy of an audiocassette
- one copy of an audio or video CD or DVD
- literary or promotional publications

Audiocassettes, CDs, and DVDs must be labeled and accompanied by a typed script (no more than one 8½” x 11” sheet) that contains the following information FOR EACH ITEM:
- title of piece (song, dance, etc.)
- name of the artist
- total running time
- performance and/or creation date (or dates)
- a list of the place (or places) where the work was performed

If the CD or DVD contains depictions of individual works of visual art, the script must contain the following information FOR EACH PIECE OF ARTWORK (do not submit more than 10 images):
- title of piece (artwork, etc.)
- name of the artist
- materials
- dimensions in inches (HxWxD)
- exhibit name and dates

It is your responsibility to cue selections and ensure smooth access to all computer documents. It is also your responsibility to be sure that all CDs and DVDs are playable on standard issue commercial CD and DVD players.

All Required Documents, Project Support Materials, and Artistic Work Samples must be delivered to MSAC by 5:00 p.m. or officially postmarked before midnight on February 3, 2017. Postage meter date stamps are not official postmarks. Only completed applications that contain all Required Documents, Project Support Materials, and Artistic Work Samples will be accepted.
